Section	Aim	Examples
Volunteering	To make a positive contribution to your community, by helping an individual or an organisation.	There are lots of choices including helping people or animals, leadership, raising awareness, environmental projects or helping a charity.
Skill	To develop practical and social skills and personal interests. Please be careful not to choose a sport as a skill – these can usually be prefixed with 'learning about'.	> There are over 300 different activity ideas you can choose from including: playing an instrument, learning a language, event planning, gliding, marksmanship (shooting) or producing a newsletter or website.
Physical	To participate and show improvement in a sport, dance or fitness activity.	There are lots of choices including team sports, individual sports such as archery, canoeing, climbing, rowing, sailing & walking; or just keeping fit at a gym.
Expedition	To plan, train for and complete an expedition with a purpose.	Your unit or district will probably organise expeditions. At Gold level we run an Open Gold programme. You can also email us if you need an opportunity to complete your expedition.
Residential	To take part in a shared activity away from home for 5 days, 4 nights with people you don't know.	There are a wide range of activity choices , such as training, activity based, environmental or volunteering. You could help at a Scout Campsite or at a camp as a young leader with a unit other than your own.
